WHO IS WOLO

A born Italian Dj, producer, musician and multi-instrumental performer with more than twenty years experience in the music and entertainment industry. WOLO is hosting his own Music Therapy daily show on Ibiza Global Radio, one of the biggest electronic music networks in the world with more than 16 million listeners globally.

THE LIVE SHOW

WOLO creates a sound journey by connecting people like an electronic alchemist in a deep magical way mixing sounds, rhythms and harmonies in a unique flow. Whoever listens to him will be transported in an alternative dimension.

A new kind of djset combining tracks - never randomly chosen - and live played instruments like pianos, strings, pads, ethereal sounds, winds and percussions. Every live show is unique, because it is always changing.

This live show perfectly fills with the sunset time. When the sun goes down, the show throws you into the magical night made of sensual and elegant rhythms.
